

Important News from the GA and more Infos

- Class 0

- Class 0 will be included in the package rule on 01.01.2023, means it is then considered as an official class in Freestyle and HTM
- From 01.01.2023 you are allowed to make 7 starts in class 0, with 2 promotion points you have to move up.
If a starter currently starts in class 0 and has not yet received any promotion points, he can continue to start in class 0 in the next year until he has 7 starts or 2 promotion points.
- Ratings of reward in class 0: rewarding in class 0 can have influence on the rating in the categories flow, execution, or level of difficulty

We will publish a more detailed description of Class 0 this autumn.

- Fun Feedback

- From now on you can tell the judges for which class your feedback should be evaluated. You can tell this during the sound check or when you enter the ring.
- This Feedback- Option is voluntarily

- DDI-QA

- On Tuesday 06.09.2022 we offer an QA. What do you have on your hear, what's wrong, what's fine, Ideas for proposals etc.
- The registration for this will go out in time, the Q&A session will be held in German and English and is open to all members

- Members Meeting 2023

- For your plans in 2023: the general assembly is on **18.06.2023**, online
- German discussion round is on Friday, english discussion round on Saturday

- Homepage

- Homepage was updated, we filled some gaps and restructured some things
- You have suggestions for improvement? Always bring it.
